

April 22, 2008 (Tuesday)

Dear Choir,

Just a reminder that this Thursday, April 24, Jeremy Cooper will be covering rehearsal. I will be at the Concord Chorale dress rehearsal. The concert will be quite interesting, including a premiere of a newly commissioned work by Bill Fletcher, and some wonderful settings of Shaker tunes by NH composer Kevin Siegfried, whose wife is a former classmate of mine from the University of Iowa! Small world.

Thanks again for all your hard work in "style" change for the past two weeks with "Day By Day" and "Bridge Over Troubled Water"!

Mark
