Dear Choir,

Evidently, I can't speak correctly, frequently putting the accent on the wrong syllable. Thanks to George for pointing out my accentual flaw in "i thank you God for most this amazing day". Is there no limit to my foolishness? (!)

A new and improved corrected version of the audio and music shall be available soon!

Don't forget we gather at 8:30 this coming Sunday morning.

That's 8:00 for you, George!

Illimitably grateful,

Mark
